Check No. _____ TOTAL: \$ _____

Make checks payable to OTEA Treasurer

OTEA has a **one year** membership. A one year membership in OTEA is \$35 a year, or \$70 for an elementary school. OTEA membership includes a quarterly publication, In Touch, which includes technology education resources and information for grades K-12. Each elementary school building, with OTEA membership, will receive two copies of the In Touch.

* The elementary school conference fee (\$70.00) will allow all elementary school personnel from one building to attend the OTEA conference. Each elementary teacher attending the conference through the \$70 elementary building fee will be charged an additional \$10 for lunch.

** The Epsilon Pi Tau Breakfast will be held Saturday morning at 7:30 AM at the restaurant, "First Watch," in Worthington (just a few miles from the conference). Attendees will order off the menu and pay on their own. See the OTEA website for the address and directions: www.otea.info
